Coins are not shown at actual size

In celebration of four of Barbados' most famous cricket icons, the Central Bank of Barbados commissioned the Royal Mint of London to strike a limited number of Gold and Silver Proof Coins in two designs.

**The Right Excellent Sir Garfield Sobers**

The reverse design of this coin captures the power and elegance of the legendary allrounder in action as he plays a glorious cover drive. Beside his image is the inscription "The Right Excellent Sir Garfield Sobers", his official title. The circumferential inscription reads "Barbados – Home of the Masters" and carries the denomination "Fifty Dollars" on the gold coin and "Five Dollars" on the silver coin. The obverse design features the Barbados Coat of Arms.

**The Three W's**

The reverse design of this coin features the famous trio of Sir Frank Worrell, Sir Clyde Walcott and Sir Everton Weekes, known internationally as the 3W's, relaxing together on the cricket field with a cricket bat and ball beside them. Beneath them is the inscription "3W's". Inscribed around the circumference of the coin is "Barbados – Home of the Masters" and the denomination "Fifty Dollars" on the gold coin and "Five Dollars" on the silver coin. The obverse design features the Barbados Coat of Arms.

These coins will be displayed in a velvet presentation case and will be accompanied by a certificate of authenticity.
