

TOURISM LOAN GUARANTEE FACILITY

Tourism continues to be the most productive sector in terms of its contribution to the Gross Domestic Product (GDP), employment and foreign exchange earnings to Barbados. However, the slowdown in the global economy has impacted negatively on this sector, leading to the creation of the Tourism Loan Guarantee Facility (TLGF) by the Government of Barbados under the administration of the Central Bank of Barbados.

The TLGF provides security in the form of guarantees to financial institutions for credits to businesses that accommodate tourists. This financial support is expected to assist in ensuring the long-term sustainability of the tourism sector.
